Play before 9am or after 5pm, especially June–September. Season (Nov–Apr) packs courts fast — arrive 20 min early.

■ Miami

Courts: 205 courts · 40+ locations

Top Spot: Tropical Park (15 free courts)

Insider tip: Miami's pickleball scene is organized by neighborhood — Coral Gables, Brickell, and Kendall each have their own crews. Tropical Park is the most popular free spot. The Wynwood indoor facility is your summer heat escape.

BEST TIME TO PLAY

Before 9am is essential June–October when heat index hits 105°F. Wynwood's AC courts shine for afternoon play.

■ Boca Raton

Courts: 230 courts · 33 locations

Top Spot: Patch Reef Park (18 courts)

Insider tip: Boca has more courts per capita than anywhere in South Florida. Patch Reef Park hosts the most competitive recreational play in the region — the 4.0+ crowd here means business. Sugar Sand Park is the social, community-first alternative.

BEST TIME TO PLAY

Snowbird season (Oct–May) packs courts. Patch Reef fills by 8am in peak months — weekday mornings are your best bet.

The Heart of Florida Pickleball

■ ■ The Villages

Courts: 197 courts · 32 locations

Top Spot: Knudson Recreation Center

Insider tip: The Villages may be the pickleball capital of the world for active retirees. Courts are embedded in the fabric of daily life here — residents golf-cart directly to their home courts. Knudson is the legendary social hub; Richmond draws the serious 4.0+ competitive crowd.

BEST TIME TO PLAY

Year-round morning play is the Villages way. Courts open early and the community is in full swing by 7:30am daily.

■ Tampa

Courts: 181 courts · 37 locations

Top Spot: Pickleball Kingdom Tampa (16 indoor courts)

Insider tip: Tampa's scene balances social and competitive beautifully. Chicken N Pickle is the ultimate social experience — courts, food, and drinks in one place. Al Lopez Park is the best free outdoor option with 10 courts and strong morning open play.

Afternoon thunderstorms are daily June–September. Play outdoors before noon or use Pickleball Kingdom in the afternoon.

■ Sarasota

First Coast to Gulf Coast

■ St. Petersburg

Insider tip: St. Pete's vibrant arts district energy shows up on the courts. North Shore Park has Tampa Bay views that make it one of Florida's most scenic places to play. Pickleball Kingdom St. Pete is the premier indoor option for competitive players.

BEST TIME TO PLAY

Sunrise games at North Shore with Tampa Bay glistening behind the courts are a St. Pete experience unlike anywhere else.

■ Jacksonville

Courts: 157 courts · 35 locations

BEST TIME TO PLAY

North Florida has a cooler climate — morning play is genuinely pleasant most of the year. Less extreme heat than South Florida.

■ ■ **Heat:** Play before 9am or after 5pm June–September. A cooling towel is non-negotiable.

■ ■ **Storms:** Florida gets afternoon thunderstorms daily in summer. Always have an indoor backup plan.

❄ ■ **Season:** Nov–Apr brings snowbirds. Courts fill up fast. Arrive early or book ahead at indoor facilities.
